

Deep Freeze Festival | 2014

Lamppost Cozy Contest

Deadline to apply - Dec. 15, 2013

Spin us a yarn and cosy up to a lamppost!

Add to this year's theme "**the Vikings are Coming!**" through participation in Deep Freeze Byzantine Winter Festival's *Lamppost Cozy Contest* contest on January 11th. Have fun while gaining exposure, as over 25,000 festival goers appreciate your work!

THE DETAILS:

- Form a group of artists.
- Email deepfreezelamppost@gmail.com for an application form.
- Send us a short proposal outlining your project along with your completed application form.

TIME TO GET CREATIVE!

- Get crafting! Once you are accepted, get started creating your work of art. Any type of fabric craft can be used to keep your lamppost warm!
- Get to work shaping your knitted cozy around your assigned lamppost (dimensions and measurements will be provided to you).
- Installation must be completed by 4pm on January 11.
- Sunday, January 12: A panel of judges will choose the winners.

Stuck for a fabric craft? Try knitting, crochet, weaving, spinning, felting, embroidery, sewing, or quilting! Or get really creative – paint on fabric, recycle thrift store socks or sweaters, braid strips of rags together, or anything else that keeps that lamppost warm and cozy until the festival is over.

Prizes will be awarded for:

1st Place - \$300

2nd Place - \$200

Peoples Choice Award - \$100

Note: There are 8 lamp posts in total.
